## PROFESSIONAL EXPERIENCE

### Website Developer | Squad IT Biz LLP

*Jun 2025 – Feb 2026 · Zirakpur, Punjab*

- Built custom, pixel-perfect and responsive WordPress themes from scratch, compatible with Elementor and WPBakery.
- Designed website UI in Figma and converted approved designs into fully functional websites.
- Developed eCommerce websites with product pages, cart flows and custom user journeys.
- Customized themes, plugins, headers, footers and dynamic sections using HTML, CSS, JavaScript and PHP.
- Integrated APIs, payment gateways, contact forms and third-party tools.
- Improved page speed, on-page SEO and cross-browser compatibility.
- Handled deployment, hosting, maintenance and bug fixing for live client websites.

### WordPress Developer | Wisewaytec

*Jun 2024 – Dec 2024 · Mohali, Punjab*

- Developed and maintained WordPress and Shopify websites for multiple clients.
- Converted Figma designs into responsive web pages using Elementor, WPBakery, HTML, CSS and PHP.
- Customized Shopify themes and managed product listings and store content.
- Built contact forms, dynamic functionality and API integrations.
- Optimized sites for mobile responsiveness and performance; handled updates, plugin management and bug fixes.
- Collaborated with designers and senior developers to deliver projects on schedule.

**Web Developer** | **Professional Service India** *Mar 2022 – Jun 2024 · Ambala Cantt, Haryana*

- Designed and developed custom WordPress themes based on client requirements and design mockups.
- Implemented front-end features with HTML, CSS and JavaScript using responsive design principles.
- Performed regular updates, security and performance maintenance on client websites.
- Trained clients to manage and update their own WordPress websites.
- Worked with senior designers and developers, applying coding best practices.
